Dear Mr. Smathers:

This is a final response to your 15 July 2011 Freedom of Information Act (FOIA) request, submitted on behalf of MuckRock News, for **“All records of complaints made concerning parking, parking lots, parking spaces or other parking related issues where the parking lot in question is on CIA property and the complaint was made between 1/1/2000 and the first day of substantial search for records response to this request.** We processed your request in accordance with the FOIA, 5 U.S.C. § 552, as amended, and the CIA Information Act, 50 U.S.C. § 431, as amended. Our processing included a search for records as described in our 26 July 2011 acceptance letter.

We completed a thorough search for records responsive to your request and located material which we determined must be denied in its entirety on the basis of FOIA exemptions (b)(1), (b)(3), and (b)(6). Exemption (b)(3) pertains to information exempt from disclosure by statute. The relevant statute is the Central Intelligence Agency Act of 1949, 50 U.S.C. § 403, as amended, e.g., Section 6, which exempts from the disclosure requirement information pertaining to the organization, functions, including those related to the protection of intelligence sources and methods, names, official titles, salaries, and numbers of personnel employed by the Agency. An explanation of exemptions is enclosed. As the CIA Information and Privacy Coordinator, I am the CIA official responsible for this determination. You have the right to appeal this response to the Agency Release Panel, in my care, within 45 days from the date of this letter. Please include the basis of your appeal.

Sincerely,

A handwritten signature in cursive script, reading "Michele Meeks".

§1900.13 Fees for Record Services

(a) *In general.* Search, review, and reproduction fees will be charged in accordance with the provisions below relating to schedule, limitations, and category of requester. Applicable fees will be due even if our search locates no responsive records or if some or all of the responsive records must be denied under one or more of the exemptions of the Freedom of Information Act.

(b) *Fee waiver requests.* Records will be furnished without charge or at a reduced rate whenever the Agency determines:

(1) That, as a matter of administrative discretion, the interest of the United States Government would be served, or

(2) That it is in the public interest because it is likely to contribute significantly to the public understanding of the operations or activities of the United States Government and

is not primarily in the commercial interest of the requester; the Agency shall consider the following factors when making this determination:

(i) Whether the subject of the request concerns the operations or activities of the United States Government; and, if so,

(ii) Whether the disclosure of the requested documents is likely to contribute to an understanding of United States Government operations or activities; and, if so,

(iii) Whether the disclosure of the requested documents will contribute to public understanding of United States Government operations or activities; and, if so,

(iv) Whether the disclosure of the requested documents is likely to contribute significantly to public understanding of United States Government operations and activities; and

(v) Whether the requester has a commercial interest that would be furthered by the requested disclosure; and, if so,

(vi) Whether the disclosure is primarily in the commercial interest of the requester.

(c) *Fee waiver appeals.* Denials of requests for fee waivers or reductions may be appealed to the Chair of the Agency Release Panel via the Coordinator. A requester is encouraged to provide any explanation or argument as to how his or her request satisfies the statutory requirement set forth above.

(d) *Time for fee waiver requests and appeals.* It is suggested that such requests and appeals be made and resolved prior to the initiation of processing and the incurring of costs. However, fee waiver requests will be accepted at any time prior to the release of documents or the completion of a case, and fee waiver appeals within forty-five (45) days of our initial decision subject to the following condition: If processing has been initiated, then the requester must agree to be responsible for costs in the event of an adverse administrative or judicial decision.

(e) *Agreement to pay fees.* In order to protect requesters from large and/or unanticipated charges, the Agency will request specific commitment when it estimates that fees will exceed \$100.00. The Agency will hold in abeyance for forty-five (45) days requests requiring such agreement and will thereafter deem the request closed. This action, of course, would not prevent an individual from refile his or her FOIA request with a fee commitment at a subsequent date.

(f) *Deposits.* The Agency may require an advance deposit of up to 100 percent of the estimated fees when fees may exceed \$250.00 and the requester has no history of payment, or when, for fees of any amount, there is evidence

that the requester may not pay the fees which would be accrued by processing the request. The Agency will hold in abeyance for forty-five (45) days those requests where deposits have been requested.

(g) *Schedule of fees - 1) In general.* The schedule of fees for services performed in responding to requests for records is established as follows:

(2) *Application of schedule.* Personnel search time includes time expended in either manual paper records searches, indices searches, review of computer search results for relevance, personal computer system searches, and various reproduction services. In any event where the actual cost to the Agency of a particular item is less than the above schedule (e.g., a large production or run of a document resulted in a cost of less than \$5.00 per hundred pages), then the actual lesser cost will be charged. Items published and available at the National Technical Information Service (NTIS) are also available from CIA pursuant

to this part at the NTIS price as authorized by statute.

(3) *Other services.* For all other types of output, production, or reproduction (e.g., photographs, maps, or published reports), actual cost or amounts authorized by statute. Determinations of actual cost shall include the commercial cost of the media, the personnel time expended in making the item to be released, and an allocated cost of the equipment used in making the item, or, if the production is effected by a commercial service, then that charge shall be deemed the actual cost for purposes of this part.

(h) *Limitations on collection of fees. -*

(1) *In general.* No fees will be charged if the cost of collecting the fee is equal to or greater than the fee itself. That cost includes the administrative costs to the Agency of billing, receiving, recording, and processing the fee for deposit to the Treasury Department and, as of the date of these regulations, is deemed to be \$10.00.

(2) *Requests for personal information.* No fees will be charged for requesters seeking records about themselves under the FOIA; such requests are processed in accordance with both the FOIA and the Privacy Act in order to ensure the maximum disclosure without charge.

(i) *Fee categories.* There are four categories of FOIA requesters for fee purposes: "Commercial use" requesters, "educational and non-commercial scientific institution" requesters, "representatives of the news media" requesters, and "all other" requesters. The categories are defined in §1900.02, and applicable fees, which are the same in two of the categories, will be assessed as follows:

(1) *"Commercial use" requesters:* Charges which recover the full direct costs of searching for, reviewing, and duplicating responsive records (if any);

(2) *"Educational and non-commercial scientific institution" requesters as well as "representatives of the news media" requesters:* Only charges for reproduction beyond the first 100 pages;

(3) *"All other" requesters:* Charges which recover the full direct cost of searching for and reproducing responsive records (if any) beyond the first 100 pages of reproduction and the first two (2) hours of search time, which will be furnished without charge.

(j) *Associated requests.* A requester or associated requesters may not file a series of multiple requests, which are merely discrete subdivisions of the information actually sought for the purpose of avoiding or reducing applicable fees. In such instances, the Agency may aggregate the requests and charge the applicable fees.
